"Juneteenth: Black Lives Matter"

Rev. Dee Graham will speak. America's oldest celebration of the end of slavery happened June 19, 1865, in Galveston, Texas, brought by Union soldiers. Today it commemorates African American freedom and emphasizes education and achievement. It is a time for reflection and rejoicing, as well as for assessment, self-improvement and planning for the future. We'll look at how that time in history continues to influence all of us today and how we can turn racism around to empower deeper and greater freedom and justice for all.

Music: Eleanora Lvov
