

## UPDATE

October 2015 Volume 46 Number 10

### October 4:

" Utopia: Changing the World from Home "

**Rev. Dee Graham will speak.** Unitarians and Universalists who believed that the world could be a better place sometimes began at home by living in intentional communities. These societies had both theological and practical cores, most of which invoked hope and beloved community. We'll look at how thinkers impact our faith tradition and consider what it would take for us to live and act true to our highest ideals.

**Music:** Eleanora Lvov

### October 11:

"Easing the Path"

**Dr. Robert Tucker will speak.** We will examine three different kinds of, well, Samaritanism (for lack of a better word) and show that one of these fits all of us, no matter the situation.

**Music:** Syl Vee
